The DCPA Theatre Company's 37th season kicked off last night with Chicago's gravity-defying hit inspired by Lewis Carroll's beloved stories. Opening night featured jugglers, tea parties and the mind-bending mentalist Professor Phelyx, featured in the recent Off-Center staging of *Perception*. *Lookingglass Alice* features Lauren Hirte and Lindsey Noel Whiting alternating the title role of Alice, along with Adeoye, Molly Brennan, Kevin Douglas and Samuel Taylor. The show runs through Oct. 11 in the Stage Theatre like you have never seen it before. Call 303-893-4100 or go to www.denvercenter.org
