The Actors Gymnasium and Performing Arts School offers classes in everything from gymnastics to stage combat. And, of course, circus arts: trapeze, juggling, tight wire, and more! All classes are taught by professional performers with highly-developed skills. Our new session starts the week of Jan. 28, but we continue to accept late registration as long as there is room. To register or receive information on classes, special events, private lessons, birthday parties, and more please call or visit our Web site.

Anokijig has been recognized for excellence in camping for 80 years. Founded in 1926, Anokijig has built a history and rich tradition of offering youth experiences that will last a lifetime.

Our largest and most popular program is the *Resident Camp* which offers the campers a great variety of activities to participate in. This program has adventures for all ages with emphasis on having a well-rounded and fun camp experience.

Running along side with the *Resident Camp*, we have *Specialty Programs* that focus on a particular activity. For the camper who wants to experience something new, we offer the *Adventure Trips* that start and end at Anokijig, but travel to seek out that once-in-a-lifetime thrilling experience.
